

EIGHTEEN APPEAR ON TICKET FOR ELECTION TUESDAY

**Mrs. Wm. Anderson to Run
For Director of Library
Board**

Two election judges were appointed by the village board Monday night for the Village Election which will be held next Tuesday at the village hall, the polls opening at 6 o'clock in the morning and continuing open till 5 o'clock in the afternoon. The village officials will be elected that time.

An announcement was made this week by Clerk Roy L. Murrie of an error in the ballot as previously announced. According to Mr. Murrie, O. A. Whitmore will not be a candidate for director of the library board, since Mr. Whitmore's term does not expire until next year. Mrs. John Brogan is the director who with Dr. R. D. Williams completes the term for which she was elected this spring. Mr. Williams and Mr. Whitmore filed the ballot and the error was not discovered until later because of an omission in the village records, Clerk Murrie states.

Mrs. Anderson Candidate
Mrs. William Anderson's name will be written in on the ballot by those voting the Citizens' ticket. Mrs. Anderson's name will not appear on the ticket because she is not filed.

Mrs. Anderson has been active in Antioch on the Citizens' Club, Woman's Club, O. E. S. and other organizations. Before her marriage, she taught school in Warroad, Minn., for three years.

Mrs. Brogan has stated that she will not run again, that she has served for five years and was intending to withdraw from the board when her term expired. The ballot will therefore be printed with a blank space immediately under Dr. Williams' name for the second library director on the Citizens' ticket.

A considerably larger vote is expected to be cast in the village election next Tuesday than was cast in the last election two years ago when candidates filed on the People's ticket had no opposition. This year two full tickets have been filed with three additional candidates running on an independent ticket.

George Bartlett who defeated G. A. Jensen four years ago in the race for president of the village board will run again this year against Bernard Naher, candidate on the Jeffersonian ticket. Mr. Bartlett has served four terms on the board, having been first elected in 1927.

Nixon Is Winner in "U" Contract Bridge Tourney

Lester Nixon, a former resident of Antioch, now a student at the University of Illinois, was one of the winners in an all-University contract bridge tournament held recently. Students, faculty members and local townspeople made up 170 teams which participated in the tournament, playing 28 duplicate hands in four days. Mr. Nixon and his partner, F. H. Allen, a graduate student, won the North and South competition with a total score of 4,715 points.

Mother's Club Elects Officers at Meeting

Mrs. B. E. Snyder was elected president of the Mother's Club at the meeting held Tuesday night at the home of Mrs. Fred Hackett. Mrs. Roy Kufak was made vice-president, and Mrs. Ed Jensen secretary and treasurer.

Mrs. W. C. Polty read an article at the meeting entitled, "Enjoying Our Children." "The Way Our Children See Us" was read by Mrs. William Anderson.

Club Will Sponsor Mother-Daughter Banquet

A banquet for Mothers and Daughters will be sponsored by the Mothers' Club Tuesday, May 9, according to plans formulated at the meeting of the organization last Tuesday. The banquet will be held at the Quilt Hall with the Ladies' Guild serving. Mrs. William Van Der Linde, Mrs. W. C. Polty and Mrs. William Anderson will take charge of arrangements for the affair.

Hennings Newstand Will Move Next Door May 1

The O. E. Hennings Newstand which now occupies the Gollwitzer building at 223 Main Street, will move around May 1 to the building owned by Claude Brogan which is now occupied by the National Tea Store. Mr. Hennings is undecided as to whether he will have a bowling alley in his new location.

Want ads in the News sell farm, city property, lead to the recovery of lost articles, hire help, get you a job, help you to get real money for things you no longer need.

Painter, Plumber, Cobbler, Cleaner, Will Occupy Osmond Building

A combination paint and plumbing shop, laundry and dry cleaning agency and shoe repair shop will take up residence in the Osmond building formerly occupied by the Leo Strang Undertaking Parlor, at 837 Main Street. The Van Der Linde and Phillips Paint Shop, and H. P. Lowry, plumber, will move into a few doors up the street for the change, while Dan Scott, shoe repairer, and Frank Mastna, who has the Lake Center Laundry Agency will move from the Morley Building across the street. The change will be made during this week. The Morley building will be occupied after April 20 by Stavos and Bailey who are petitioning to sell beer.

Straw Vote To Be Cast on Day Saving Time

**Unofficial Ballot to Be
Circulated Tuesday,
Board Decides**

Antioch voters will be given an opportunity to register their opinion on the adoption by the village of daylight saving time in a straw vote at the village election Tuesday. Because the matter was not presented to the village board in the form of a petition from the voters, a legal ballot will not be drawn up for a legal referendum.

A resolution passed by the American Legion Post called the attention of the board to the matter of daylight saving time at the meeting the first Tuesday in the month. It was decided to present the matter to the voters in the form of a straw ballot, at a meeting of the board held Monday night of this week, which continued the recessed meeting of last week.

Clerk Roy Murrie reported at Monday's meeting that according to the records which he had consulted, daylight saving time was adopted by the board in 1927. Mr. Murrie states that according to law, it is necessary that an ordinance be read three times before it is passed, and that at each reading at that time, the vote taken resulted in a tie, which was decided affirmatively by the president's vote at the last reading.

The following year, he reports, a referendum vote was taken on the matter and it was defeated. The votes for daylight saving time were 135, he reports, and there were 231 against it.

Mr. Murrie states that he has consulted village attorney Runyard who advised him that a separate unofficial ballot for the straw vote could be prepared to be circulated at the time of the regular village election.

Chimney Fire Breaks Out at Moose Hall

A chimney fire at the Moose Hall last Saturday night temporarily caused some excitement when it was thought that the Grice building in which the hall is located, was ablaze. No damage was done. Firechief James Stearns reports that his volunteers had some difficulty in reaching the roof because of a car parked below the fire escape in the rear of the hall. Mr. Stearns requests that no cars be parked under fire escapes, as they prevent the department from putting ladders up to the escapes.

Hickory Unit Will Hold April Meeting

The April meeting of the Hickory Home Bureau Unit will be held at the home of Mrs. W. A. Bonner, Millburn on Thursday, April 20, at 1:30 P. M. The major lesson will be "Cleaning clothing, rugs, etc., and removing stains and spots." Minor lesson, "Edo finishes." Roll call—Favorite supper dish.

Holy Week Will Close With Special Services in All Antioch Churches

As Holy Week draws to a close, tomorrow, Good Friday, will be observed with services at all the churches. Special services will be held for the children at St. Ignace Church Saturday, and there will be added features to distinguish the services at all churches Easter Sunday from services of other weeks.

Good Friday services will be held at St. Peter's Catholic Church at 8 o'clock in the morning and again at 7:30 o'clock that night at which time there will be a sermon. A three hour devotion from 12 o'clock to 3 o'clock in the afternoon will be held at St. Ignace Church tomorrow. The traditional candlelight service of the Cross will be held at the Methodist Episcopal Church Friday night at 8 o'clock. Communion will be taken at that time.

The Saturday service at St. Ignace Church will be held at 4:30 o'clock in the afternoon for the children. A service will be held Saturday morning at St. Peter's Church at 7:30 o'clock.

Methodist
The earliest Easter Sunday morning service in which Antioch churchgoers will take part will

PETITION STARTED ASKING THAT REED BE RETAINED ON FACULTY

**Kaye, Morley Back Move to
Keep High School
Coach**

Petitions are being circulated this week by Richard Kaye and William Morley, asking that the Antioch Township High School Board retain the services of Gerald Reed, athletic coach and teacher at the High School.

Mr. Reed was recently notified by the board that he would not be asked to return next year. The decision of the board was not final according to Mrs. Lester Osmond, secretary, since no definite decision could be made by the old board, before the election. However, since no new members were elected in the election, it is understood that the attitude of the board will remain the same.

Mr. Morley stated that with Mr. Kaye he appeared before the board asking that body whether they would reconsider the matter if sufficient signatures were obtained and that members of the board said they would.

Petitions have been placed at Teeves' and King's Drug Stores and at Elms' Pantry. Over one hundred signatures have been secured up to the present date.

The petitioners read "We the undersigned, residents of town of Antioch, Ill., do hereby respectfully request the Antioch High School Board to retain the services of Mr. Gerald Reed, who we believe to be a very competent teacher as well as a gentleman of finest character."

Mrs. Osmond stated this morning that the board will undoubtedly be governed by the petitions. However, she said, children's names will carry no weight, and most attention will be given to the signatures of parents who have children in High School.

Grade School Teachers To Return With Cut

**Contracts Offered to Entire
Staff With 5 Per Cent
Reduction in Salary**

Contracts were awarded for another year to all teachers of Antioch Grade School with a five per cent cut in salary at the meeting of the school board held Tuesday night. S. E. Pollock, president of the board stated that all the teachers have expressed their intentions of signing the contracts and returning next year. He also reports that Principal Ralph Clabaugh reports that the entire staff showed entire satisfaction despite the cut in salary.

Teachers of the Grade School received a letter from the board last week, also, Principal Ralph Clabaugh was also asked to return next year and has announced that he will accept his contract. Cuts for the two new teachers, Miss Mary Gallager and Miss Helen Hiltcheek were made on the basis of the salary they would receive with the customary second year raise.

The teaching staff of the Grade School is as follows: Ralph Clabaugh, principal and teacher of eighth grade; Miss Mildred Byrnes, seventh grade teacher; Miss Isabelle Harwood, sixth grade teacher; Miss Aylene Wilson, fifth grade teacher; Miss Eleanor Moyer, fourth grade teacher; Miss Helen Hiltcheek, third grade teacher; Miss Mary Gallager, second grade teacher, and Mrs. Charles Lux, first grade teacher.

Janitors for the school during the next year were not appointed at the meeting. Those appointments will be made at a later date, according to Mr. Pollock.

Hill Is Last Minute Candidate for Board

**Incumbents Win Out in
Both School
Elections**

Last minute opposition was offered George White in the Township High School Board election last Saturday but the incumbents, Mr. White and Mrs. Lester Osmond, were re-elected to the board. Walter Hill, a candidate whose name was written on the ballots, was defeated by some eighty votes. It was not known until a few days before the election that friends of Mr. Hill would place his name on the ballot.

In the Grade School election, only 72 votes were cast and the entire slate was re-elected with none of the candidates having opposition, although one voter wrote in the name of H. P. Lowry on his ballot for president. The vote cast at the Grade School was as follows: S. E. Pollock, president, 64; H. P. Lowry, president, 1; Mrs. Myrtle Klass, board member, 69; Mrs. Walter Selzer, board member, 63; Mrs. Klass and Mrs. Selzer succeed Mrs. Lester Crandall and Mrs. Adolph Post, both of whom retired from the board this year.

In the High School election, Walter Hill, a farmer and member of the Antioch American Legion Post, was defeated by a total of 84 votes. Forty-odd votes cast for Mr. Hill were thrown out because the voter wrote in Mr. Hill's name but did not put a check opposite it as required by law for a ballot to be legal. The total vote cast in the election was as follows:

White	356
Hill	272
Osmond	535

Mr. White is president of the board and has served several terms, having filled the office of president since 1927. Mrs. Osmond served less than one term, having filled out the unexpired term of her husband. Mrs. Osmond is secretary of the board.

No Sales Tax on City Water Bills

Following a ruling yesterday by Corporation Counsel William H. Sexton of Chicago and the opinions of several attorneys it appeared certain today that the state three percent sales tax will not be applicable to water bills.

The problem did not arise in Waukegan but the interpretation of the law was questioned there after the ruling of the Chicago attorney.

Here it was generally agreed that water bills will not be taxed, the exemption being claimed under that clause of the law declaring that no sales tax shall apply where a product is sold directly from the producer to the consumer.

Water piped by the city is more of a service than a commodity, it was generally conceded.

Girl Scout News

By Bernice Sherman
At Scout meeting Monday evening, we played the compass game. Bluebird Patrol won. Then each patrol illustrated the first and second points of the health which are "stand tall" and "Exercise." In the first point Bluebird and White Bear did for first place, and in the second Lion and Bluebird tied.

We then had several cookies apiece for refreshments. Seven or eight members were absent from this meeting. There will be no meeting next Monday because of no school.

St. Peter's Minstrel To Be Given Apr. 17-18

**Large Cast Will Take Part
In Musical Show at
Church**

A large cast will take part in the minstrel show to be staged at St. Peter's Church next Monday and Tuesday under the direction of Miss Mary Kenny and Miss Grace Jyrch who has charge of the music.

The opening scene is laid in the Antioch railroad station with Bob Dinn as the station agent, Frank Walsh as Magneto, Charles Paddock as Midnight, and Bill Murphy as Stranger.

Between the first and second scenes a quartet composed of Irene Chlan, Mary Snyder, Edna Snyder, and Mary Osmond will sing "In the Good Old Summer Time" and a harmonica solo will be played by Bob Hunt. The following scene will open with a chorus singing "Happy Days Are Here Again." The order of the program following that is as follows:

When the Morning Rains Around...
Old Black Joe, Quartette...
Charles Corman, Paul Zelen, Just An Echo... Stanley Zaloski, Hey Young Fellas... Charles Corman, Specialty... Freddie Yates, My Wild Irish Rose... Gene Doyle, The Old Kitehen Kettle...
Lorraine Felt and Lillian Vykuta, Sleepy Time Down South... Ted Rubin, Sidelwalks of New York...
Song... Ted Rubin, Saxophone Solo... LaVerno Boyle, Underneath the Mellow Moon...
Dance... Charles Paddock, 1 Ain't Got Nobody... Russell Lash, Piano Accompaniment, Mrs. Lash, 11 Only Had a Five Cent Piece...
Oliver Hunt, Carry Me Back to Old Virginia...
Young Ladies' Chorus, Cieling Chorus... Entire Company, Fred Griffin will play the violin in the production, Steve Pacini the saxophone, and Al Wolmers and Art McGroal will take care of the stage properties.

The cast of sad men and the chorus are as follows:
End Men: Chic Florio, Gene Doyle, Paul Zelen, Ted Rubin, Oliver Hunt, Frank Walsh, Charles Paddock, Chester Lottling, Charley Corman.
Chorus: Mabel Brogan, LaVerno Boyle, Marty Boyle, Ruth Chlan, Don Doyle, Bob Dunn, Margaret Dunn, Dontrico Felt, Lorraine Felt, Ed Lynch, Adelo Miller, John Murphy, Bill Murphy, Cecelia Newman, Dan Williamson, Stacy Kuba, Thomas Hunt, Mrs. Thomas Hunt, Lester Osmond, Steve Pacini, Norbert Pacini, Lona Pederson, Grace Pederson, Rose Pederson, Ted Rubin, Virginia Tidmarsh, Agnes Teichert, Lillian Vykuta, Irving Walsh, Stanley Zaloski, Mildred Corman, Chester Lottling, Guy Williamson, Larry Williamson.

Water piped by the city is more of a service than a commodity, it was generally conceded.

New Loading Crane Installed in Plant of Waukegan Coke Co.

New equipment for faster, more efficient loading of steadily increasing shipments of Waukegan Koppers Coke has been installed at the Waukegan plant of the North Shore Coke and Chemical Company. The recently acquired apparatus consists of a gasoline powered crane of a mobile type that travels on rails under its own power. With this new crane, the handling of Waukegan Koppers Coke will be greatly improved and more rapid loading will result.

CALIFORNIA MAN TO SPEAK APRIL 24

**Evanston Annual Teachers'
Meeting Will Give
Schools Holiday**

Dr. R. S. Von Klotz, Smdt, President of the University of Southern California, will talk on "The Schools in America's Program" at the general session of the Lake Shore Division of the State Teachers' Association which will be held at Evanston, April 24.

Both the High School and the Grade School will be closed in Antioch that day in order to give all the teachers the opportunity to attend this meeting. The meetings will begin at 9:30 o'clock at Evanston Township High School.

"Must the Deal be a Mis-Deal for Youth" will be the subject of a talk by William Trufant Foster, director of the Pollak Foundation for Economic Research.

Dr. Ernest Horn, of the University of Iowa will speak at the sectional meeting for elementary teachers. Mr. Von Klotz Smdt will be the speaker for the Junior and Senior High School.

Sections will also be conducted in Home Economics, music, Fine and Applied Arts, and for principals and supervisors. Dr. Louise Farwell, director of research will conduct the primary sectional meeting. A Parent-Teacher section will be conducted by Mr. Foster.

Paschen, Needham Appeals up Tuesday

Appeals of Chris Paschen, former building commissioner and of five former officials of H. O. Stone & Co., from prison sentences and heavy fines were heard when the Circuit Court of Appeals opened its April term Tuesday in Chicago.

Paschen convicted of income tax frauds, was sentenced to two years and fined \$10,000 by Federal Judge Barnes.

Judge Woodward sentenced the Stone officials to terms ranging up to twenty years and imposed heavy fines following their conviction for using the mails to defraud.

Paschen formerly owned big farms in the vicinity of Antioch while Attorney Leslie Needham, one of the Stone officials, owns Oakshore Beach at Winthrop Harbor and is a member of the Lake County bar association.

Delegates Select 2 Sitting Judges

The three sitting Republican circuit judges were nominated Saturday in Belvidere by delegates from Lake, McHenry, Boone and Winnebago counties as candidates for the judicial election June 5.

Those nominated were Circuit Judges Ralph J. Dady, Waukegan; Edward D. Shurtliff, Marenco, and Arthur E. Fisher, Rockford. The nominations were unanimous.

At the same time the Democrats from the four counties were nominating Attorney Charles P. Carpenter, of Crystal Lake, as their candidate. This nomination was unanimous. Carpenter, it is understood, lives at Crystal Lake and commutes to Chicago, where he maintains an office.

Gastin's Tokalons Return for Valencia Engagement

Howard Gastin's Tokalon orchestra which played at the Valencia ballroom, Waukegan, April 1, will return for a second engagement, Saturday and Sunday of this week. The ten piece orchestra includes besides Mr. Gastin, the following musicians from this section: Gordon Martin, of Lake Villa, Jimmy Flag, of Libertyville, Harold Darling of Lake Villa, John Mayfield of Waukegan, and Bob Morley of Antioch.

The Tokalons have been making their headquarters at Clinton, Ia., this past winter, playing for dances throughout Iowa and some regions of Illinois. They also have broadcast several times from station WHO, Des Moines, Iowa.

Legion Hold Baseball Meeting at Village Hall

A month of boys interested in the American Legion Junior baseball team will be held Friday evening in the Village Hall. All boys up to the age of seventeen are eligible according to Dr. L. John Zimmerman, commander of Post 748. The baseball activities are under the direction of Walter Hill, athletic director of the Legion. The team will be coached by Frank Woods of Alton and assisted by Fred Hackett and M. M. Miller.

Horner Reduces Beer Proposal by \$50

A reduction of fifty dollars has been made in the license state beer tax of \$100 which has been advocated by Governor Horner and his supporters.

One of the best paying advertising investments is classified ads. Inexpensive—but they get results.

PREPARE FOR THE HARVEST

With the day of the opening of the Century of Progress exposition in Chicago drawing nearer with each week, and with Antioch's preparations towards drawing some of the Fair trade this way, still at a standstill, we are faced with the possibility of watching the fair come and go while we are counting chickens before the eggs are laid.

For the past four or five months, we have talked of the harvests we will reap as a result of the World's Fair, but nothing has been sown so far to be reaped. It is time something definite is done towards preparation.

There has been a tendency the last few weeks to lie down and decide that the long hoped-for business to come out of the fair is only a myth. Nothing will be gained from this attitude. It's time to buckle on our armor and do some promotional work.

LOCAL POLITICS

An encouraging phase of the depression has been an apparent stimulated interest on the part of the public in its government and the officials who govern. The hue and cry for lowered taxes which has been raised has been largely responsible for this.

Local government which has been neglected in some communities to the extent that the voters are not quite sure just what form of local government they have, has awakened a new interest, because for the first time the voter is realizing that local government is the

unit in which he individually has the largest control, and also because more remote officials are keeping the public reminded that a large portion of the tax dollar is spent at home.

The recent township election brought out a vote which approximated the vote cast in the township during the last national election, which was satisfying from many angles. The man too little interested in his home government to cast a vote, is never a very active citizen.

A large vote is expected again next Tuesday when village officials come up for election. The affairs of this village, its expenditures and management, are important to every voter in the village. He can make his voice heard chiefly through his vote.

A VISIT TO THE EXPOSITION MADE EASY

The announcement of the railroads that they will not only make special rates for transportation to and from the Century of Progress Exposition but provide for accommodations and service for patrons while visiting the city is good news not only to the exposition management and all interested in the success of the fair but to the general public. The plan permits a visitor to provide himself with all accommodations from his home station back again. He may purchase transportation, hotel accommodations, transfer from the station to his hotel, admission to the fair grounds, and a sightseeing tour in the city. He will be met at the station by agents who will give him whatever direction and information are wanted to avoid mistakes and to make his stay satisfactory. He can make his own choice of hotels and rates will be fixed and moderate.

This service, with substantial reduction in fares, will certainly appeal to the public intending to include the exposition in their vacation plans. It avoids all fears of inconvenience and unexpected expense.

Also as an evidence of reviving initiative in railroad management it is encouraging to all who wish to see the railroads restored to the place they ought to occupy as the principal agency of the nation's transportation.—From The Chicago Tribune.

HOW TO AVOID CALF SCOURS

Slow growth and death losses in calves because of scours can be overcome readily by proper feeding methods. That has been definitely proven by nearly three years of investigation at the Purina Mills Experiment Farm, in which no trouble from scours was experienced after the milk was removed and the calves placed entirely on a calf meal pressed into cubes or checkers.

Dairymen do not need to be told that calves which run with their dams do better than those which are fed from the bucket. One of the main reasons for this, dairy specialists say, is that the calf prefers to feed itself many times a day. Its stomach is never overloaded and it is never hungry for long periods of time.

In feeding calf checkers this preference for frequent eating is satisfied.

HOW TO AVOID CALF SCOURS

Calves were free from scours when fed calf meal pressed into checkers with grain, hay and water in nearly three years of experiments.

The calves or checkers are left before the calf constantly. The calf helps itself whenever it feels hungry, so that the method is much the same as letting it suck the cow. Of course, the checkers must be made of the right ingredients in the proper proportions to meet the requirements of the growing calf.

The checkers, in which are concentrated all needed nutrients, are hard so that the calves can crunch and chew on them, a practice they seem thoroughly to enjoy. Dry feeding also eliminates buckets, which frequently spread diseases and scours. Temperature differences, which are one of the principal causes of scours in bucket-fed calves, are avoided. Most dairymen have found that even extreme care and cleanliness will not prevent scours when liquids are fed. Nor do these calf meal checkers cause scours by becoming soggy, caked or sour, as powdered milk and loose rations often do.

"There are scientific reasons why the new way of calf feeding develops better young stock," says Dr. Smith, head of the Research Division at Purina Experiment Farms. "Chewing the hard calf checkers starts the flow of saliva in the mouth, mixes it with the food, and lessens the work of the stomach."

Barber—"Your hair is very harsh and dry, sir."
Voice-Culture Expert—"So is your voice, but I didn't like to mention it."

The Safest Place
to Keep Money—
A GOOD BANK

It doesn't pay to keep money in hiding at home!

The safe place for your money is in this bank. Have a Checking Account for the convenient payment of obligations; have an Interest Bearing Account where small sums may be deposited to grow and earn more money; buy Certificates of Deposit as an investment for funds which will not be needed for several months or longer. Your money will be in circulation, helping business, helping the community, and helping YOU. And it will be always safe.

FIRST NATIONAL BANK OF ANTIOCH

Horner's Cabinet

Is Well Established

Gov. Horner's "kitchen cabinet" has become pretty well established. Ben F. Lindheimer (Chicago), chairman of the State Commerce Commission, is the financial genius, assisted by his personal friend Joe Rice (Chicago), Director of Finance. Barnett Hodges (Chicago), State Tax Commissioner, also sneezes the payrolls to flood Republicans who can be fired. Ernest Leiberhan (Chicago), State Highway Engineer, took after engineering and efficiency problems and Moo Roseberg (Chicago) drops in frequently to supply the political acameo.

Gov. Horner's aides are said to have stifled some opposition to the anti-homo rule feature of his beer tax bill by promising to give municipalities one cent of the gasoline tax, leaving one cent for the state and one cent for the counties.

SO MUCH FOR SO LITTLE

The Antioch News is in a position to do an unusually good turn for its friends by furnishing them both The News and The Pathfinder a full year for the bargain price of only \$2.10. The Pathfinder is America's most appreciated weekly magazine, published at the Nation's Capital for all the nation. It deals with politics, government, science, industry, world events and every subject that intelligent people want to know about. It is not partisan. It never boasts favored individuals or pet doctrines. In The Pathfinder you get much interesting information—many pertinent facts that are seldom published elsewhere. You and your whole family, young and old, will like The Pathfinder, as millions of others do. The News and The Pathfinder make a splendid team; each one supplements the other to give you a complete reading service. You need them both. Don't miss this chance.

Fox Lake Man Acquitted

Roy Cunningham, Fox Lake resort operator, charged with the murder of Red Johannott, Fox Lake taxi driver, was acquitted by a circuit court jury Monday afternoon.

Cunningham claimed that Johannott made advances toward his wife and that he went to her defense. Johannott, he charged, launched an attack on him. Cunningham in self defense struck him over the head with a bottle, killing Johannott with the blow.

Attorney George W. Field upheld the defense.

The two men and Mrs. Cunningham were drinking at the Cunningham home in celebration of Mrs. Cunningham's birthday, the night Johannott was killed. The killing occurred on the night of Jan. 7. Mrs. Cunningham was held on the charge with her husband at the time, but was released later because of insufficient evidence.

State's Attorney Charles E. Mason in the trial this week maintained that the beating Johannott received was too severe to have been dealt with a single blow in self defense. The verdict was brought in before four o'clock Monday afternoon after the jury had deliberated four hours.

EGGS OF QUALITY NEED A QUALITY BASE

Hens Can Produce Better Eggs on Better Feeds.

An all-mash feed containing everything, even "sunshine," makes it unnecessary to bother with scratch grain, oyster shell, grit, green feed or cod liver oil. It takes all the trouble from chicken feeding, and is foolproof. That is the latest accomplishment of the Research Staff of poultry experts at Purina Poultry Farms, Gray Summit, Missouri.

"Feeding all-mash egg chowder has many advantages," says E. H. Powell, manager of the 350 acre Purina Farms. "Since only one feed is given, the hens have no chance to choose and uniformity in the egg quality results. The quality of the product is definitely controlled. When the mash-plus-scratch grain system is followed, the proportion of mash to scratch eaten by the hen varies from day to day with in-

dividual hens. Some hens pick corn out of the scratch grain, while others prefer wheat. As a result, yolk color and other qualities of the egg are not uniform."

It is extremely important that a ration which produces eggs of the highest quality also keeps the birds in shape to stand the strain of heavy laying.

An interesting experiment, conducted over a period of five years and including the product of more than three thousand birds, demonstrated the definite improvement this all-mash feed produced in eggshell strength. As the eggs came from the experimental yards, they were marked with the date, the pen and hen number and the number of the feed combination the hens received. They were then cooled and carried in an insulated case from the experimental farm to the Research Laboratories to be subjected to a dozen exacting tests for quality. The weight of the egg, its shape, the color and breaking strength of the shell, viscosity of white, yolk size and firmness, yolk color, uniformity of yolk color, flavor and nutritive value were measured. Their vitamin content was tested by scientific feeding to white rats.

"All of these qualities are factors in determining the value of an egg," says Mr. Powell, "and all of them are influenced more or less by the feed. Premium prices are paid for uniform eggs weighing 24 ounces or more per dozen. Strong, dense shells prevent breakage in handling and shipping, and lower the rate of escape of water and carbon dioxide gas from the egg, thus increasing keeping quality."

Whites which are thick and firm and yolks which stand up well are more attractive when the eggs are fried or poached and have a more appetizing appearance when served. The public prefers a pale yellow yolk, and the color of the yolks should be uniform.

Eggs are highly valued by the public for their content of vitamins, especially vitamin A, which promotes growth and prevents colds and respiratory disease, and vitamin D, which is the sunshine vitamin and aids in assimilation of lime and building bones. The amount of these vitamins in the egg depends on the quantity supplied in the feeds. It is easy to build up trade with customers if they can be assured that the eggs they will receive will be unusually attractive, wholesome, and high in vitamins.

Amateur gardener—I have so much trouble telling the difference between my young plants and weeds. How do you tell which is which?

Farmer—There is only one sure way: Pull them all out. If they come up again, they are weeds.

"Your heart is quite sound. With such a heart you ought to live to be 70."

"But, doctor, I am 70."

"There, what did I tell you?"

Trevor Family Honors Daughter's Confirmation

Card Party at Social Center Hall Called off Because of Holy Week

Mr. and Mrs. Klaus Mark entertained on Palm Sunday in honor of their daughter, Nina's, confirmation. Mr. and Mrs. Nels Houman, daughter, Gudrun, Mr. and Mrs. George Houman, daughters Nanna and Mabel, Racine; Mr. and Mrs. Peter Adelson, son, Anker, and daughters, Betty Jane and Viola, Kenosha, and Mr. and Mrs. John Geyer.

There will be no card and luncheon party at Social Center hall on Saturday evening on account of this being Holy week.

Among the Kenosha shoppers on Saturday were Mrs. Henry Ernie, Miss Leah Mizzen, Mr. and Mrs. D. A. McKay, Miss Ruth Thornton and Mrs. Joseph Smith.

Sunday evening callers at the Fred Forster home were Mrs. Karl Wuster, Pikeville, and guests, Mr. and Mrs. Edward Herman and daughter, Woodbine, Ill., and Mr. and Mrs. George Wuster, Antioch.

W. G. Barnstable, Chetek, Wis.,

who has been spending the winter in Roseland, Florida, and W. R. Williams, Antioch, called on the former's brother-in-law, Daniel Longman and family Friday.

Miss Rose Dittner, Chicago, visited her sister, Mrs. Henry Ernie and family on Palm Sunday.

Sunday visitors at the C. A. Copper home were Mr. and Mrs. Joe Copper, and son and Frank Harris, Chicago, and son, Allen Copper, and wife, Grayslake.

Mrs. Daniel Longman and son, Russell, were Antioch visitors Monday.

Mr. and Mrs. John Schmidt visited the former's uncle and aunt, Mr. and Mrs. Joe Illbert, at Union Grove on Monday.

Mrs. Charles Oetting, daughters, Adeline, and friend, Arthur Woolay, called on the Frank Lasco family at Powers Lake Sunday afternoon.

Mr. and Mrs. George Faulkner, Wilmet, called on Mr. and Mrs. Ira Brown.

Mr. and Mrs. Harold Mickle, Miss Daisy Mickle and Mr. Champ Parham attended a birthday surprise party for Hans Dietrich at his home at Twin Lakes on Tuesday evening.

Those on the sick list are Mrs. Henry Luben and Mrs. Ira Brown.

Mrs. George Patrick and Mrs. Byron Patrick, Salem, called on Mr. and Mrs. Dwight Burgess, Bristol, on Wednesday.

George Tolnow moved his family who have spent the winter with

Mr. and Mrs. William Evans, to their new home in Pleasant Prairie during the past week.

C. A. Copper, who has spent the past few months at the General Hospital at Madison, returned to his home on Friday and is in a serious condition.

Mrs. Vera Wyman was a Chicago visitor Monday.

Mrs. Nellie Runyard and Mrs. William Evans attended church services at the Methodist Church, Antioch, Sunday morning and were dinner guests of Mrs. Fred May.

William Patrick and daughter, Mrs. William Krueckman, visited the Patrick sisters Sunday afternoon.

John Mux and some entertained relatives from Chicago and Fond du Lac on Sunday.

The two younger daughters of Mrs. Jessie Allen were baptized by the Rev. P. T. Bohl at the Methodist Church, Antioch, on Sunday morning.

A severe electrical storm accompanied by a heavy rain visited this locality early Monday morning.

A large number from this locality cast their votes at the polls at Salem on Tuesday.

Luther Taylor, Kenosha, was a business caller in Trevor on Wednesday.

Mrs. Louise Derlor and Mrs. Charles Oetting were Milwaukee visitors Wednesday.

"Not a Man in the House" was the title of the play given by the Trevor

Bill Would Provide For Municipal Audits

A bill providing for auditing of receipts and expenditures of all cities, villages, townships, etc., has been introduced by Rep. Schnackenberg, Republican floor leader. It would set up a Director of Local Finance at Springfield to receive these audits and to make audits at the expense of the municipality if the latter failed to act. All audits would be public records, the idea being to force economy and tax reductions by exposing wasteful expenditures.

P. T. A. at the Salem hall Monday evening as part of the entertainment for the Salem P. T. A. meeting.

The Misses Daisy and Myrtle Mickle and Mrs. Jessie Allen were Kenosha visitors Monday.

Mr. and Mrs. Fred Forster were Kenosha visitors Friday afternoon.

Mrs. John Friedhoff is spending some time with her daughter, in Chicago, where she is receiving treatment.

Chester Runyard and cousin, James Runyard, Channah Lake, motored to Youngstown, Thursday to visit relatives, returning home Monday.

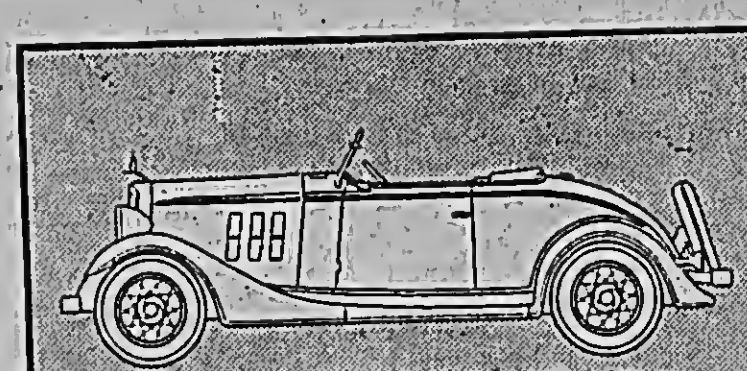

Miss Florence Ridge, Kenosha, visited at the Fred Forster home Saturday.

State May Probe Cement Prices

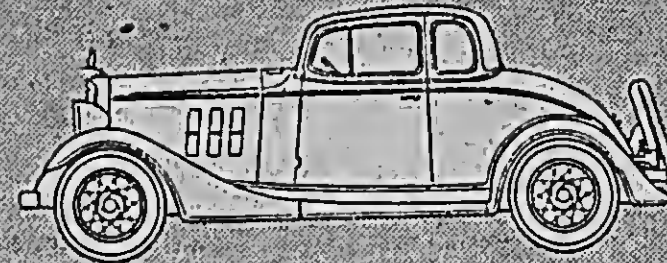

Unless Chief Engineer Ernest Lohrmann of the State Highway Department gives out some accurate information soon on the bids for 3,300,000 barrels of cement now in his hands, members of the legislature will demand an investigation. The bids are reliably reported to show a jump from \$3.94 a barrel last year to \$1.02 a barrel this year, or an increase of \$2,244,000, which will have to come out of the pockets of the taxpayers. Seventeen companies from six states are said to have submitted identical bids. Acting Director Robert Kingery of the Department of Public Works and Buildings, announced that the bids, along with records of the price of cement for the last five years, had been withdrawn from public inspection until Gov. Hornor could release his own figures in his own way.

First Quarrel

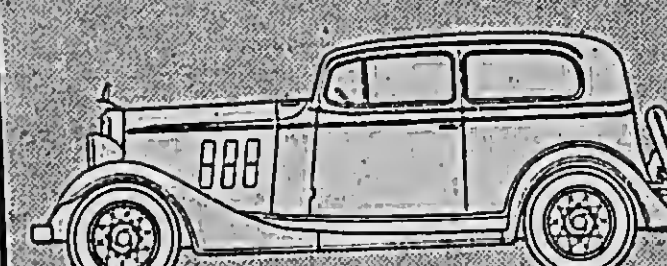

"I'm going home to mother," said the bride.
"I'll go along," said the young husband. "Then we can both get a square meal."
"You'll do nothing of the kind," snarled the bride, wiping away her tears. "Just for that I'll stay here. If I have to wear out a dozen can openers."

TWO LINES OF CARS—TWO PRICE RANGES ONE HIGH STANDARD OF QUALITY

CHEVROLET First, came the Chevrolet Master Six—and America responded with the greatest welcome given Chevrolet since 1929. Then, up stepped the leader with another entirely new line of cars, the Standard Six. And down went the Chevrolet base-price to the lowest figure in history for a full-size six-cylinder closed car. Now—for the first time—there are two Chevrolet Sixes—the Standard and the Master. Body-styles for everybody. Prices for several different groups of buyers. But only one standard of quality running throughout the complete line. And that's the very same high standard that has made CHEVROLET the greatest name in low-price transportation!

Both Standard and Master models offer wood-and-steel bodies by Fisher—equipped with safety plate glass in the windshields, and featuring Fisher No Draft Ventilation. Both have silent second gears and smooth, fast, six-cylinder engines. In the Standard Six, you enjoy all these advantages—at the lowest operating cost of any full-size car. In the Master Six, you get all these advantages, and many more, in an unusually large, luxurious car, along with the greatest all-round economy of any car of its size. And Chevrolet prices are now as low as \$445—for the Standard Six Coupe!

CHRISTIAN SCIENCE CHURCHES

"Are Sin, Disease, and Death Real?" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, April 9.

The Golden Text was, "Bless the Lord, O my soul, and forget not all his benefits: who forsweth all thine iniquities; who healeth all thine diseases" (Psalms 103:2, 3).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "Now therefore hearken, O Israel, unto the statutes and unto the judgments, which I teach you, for ye do them, that ye may live, and go in and possess the land which the Lord God of your fathers giveth you. Out of heaven he made thee to hear his voice, that he might instruct thee: know therefore this day, and understand it in thine heart, that the Lord is God in heaven above, and upon the earth beneath: there is none else" (Deut. 4:1, 34, 35).

The Lesson-Sermon also included the following passages from the Christian Science Textbook, Science and Health with Key to the Scriptures, by Mary Baker Eddy: "Christian Science reveals God, not as the author of sin, sickness, and death, but as divine Principle, Supreme Being, Mind, exempt from all evil" (p. 127).

ST. PETER'S CATHOLIC CHURCH

Photography

J. H. Schultze has been called the "father of photography." He obtained photographic copies of writing in 1727. Investigations were later carried on by Samuel Parr, James Watt, Josiah Wedgwood, H. Davy, Joseph Nipess and Daguerre in France. The development of the modern rapid progress of photography was begun with the introduction of the dry collodion process by Scott Archer, 1831.

Payment Reduces Pass

Incidentally, critics of the high fees charged by doctors may help to reduce them if they pay for medical services promptly.—Lowell Evening Leader.

In a Nutshell

'Tis not enough to help this feeble up, but to support him after.

Personals

Mrs. Esther Willson and Mrs. Charles Lux are leaving this evening for Pittsfield where they will visit their mother, Mrs. Sarah E. Dunham. Mrs. Dunham has been ill for several weeks.

Miss Isabelle Harwood will spend the Easter holidays in Madison, Wis. Miss Mildred Byrnes leaves this evening for Fond du Lac where she will remain until next Tuesday. Aylen Wilson will accompany Miss Byrnes.

Mr. and Mrs. James P. Johnson returned home Friday from Roseland, Fla., where they have been since early last fall.

Hats—over one hundred individual styles to pick from—\$1.20 to \$2.95. Marianne Shop.

Mr. and Mrs. William Keulman visited Mr. and Mrs. Charles Tiffany in Waukegan last Sunday.

P. E. Chino who has been in a Kenosha hospital recovering from an operation, returned to his home last Sunday where he is convalescing. In Mr. Chino's absence from the Antioch and Pacific Tea Store, William Johnson is managing the store. Mr. Johnson is from Peoria.

Mrs. Thomas Hunt made a business trip to Chicago Wednesday. During her absence, Mrs. O. A. Dickknoll of Channel Lake took care of the Marianne Shop.

Pasture for 25 head of cattle at 3 1/2 cents per day. Richard Willson, Lake Villa, Ill.

Miss P. Whitcomb of Oak Park is visiting at the home of Mrs. Clara Westlake. She will go from here to Waukegan where she will visit her sister, Mrs. B. Feltham.

Mrs. J. F. Beebe who has been confined to her bed the past three weeks, is much improved.

Save Money—Buy Paints NOW. Chase Webb.

Dr. H. F. Beebe was in Waukegan on business Tuesday.

Mrs. C. Christensen of Chicago returned to Antioch Monday to be with Mrs. Beebe.

Mr. and Mrs. M. M. Miller attended a party given at the Waukegan Hotel, Waukegan, last Thursday, by Mr. and Mrs. Edgar Koeneke.

Miss Elizabeth Webb will leave Saturday morning for Washington, where she will be a delegate to the National D. A. B. convention. Miss Webb has been a delegate to four conventions, and this will be her fifth trip to Washington.

George Bacon will leave Saturday morning for his regular work as mail clerk.

Timothy, clover and alfalfa seed at Chase Webb's.

A short meeting of the American Legion Auxiliary will be held Friday. Ward and Homer Edwards, Harold Kennedy, Robert King, and Robert Hughes of the University of Illinois and Dorothy Hughes and Phil Simpson of Illinois Wesleyan are home this weekend for Easter vacation.

Elmer Sather of Chicago visited at the Tom Duziel home, Leon Lake, last weekend.

Cards will be played following the Eastern Star meeting to be held tonight.

Mr. and Mrs. Barney Noveller and daughter Jennifer and Mr. and Mrs. Earle Skiff of Lake Villa visited Sunday at the Kellers home.

Mrs. Albert Swenson called Thursday afternoon on her cousin, Mrs. Joseph Keller.

Ralph Clabaugh will spend his Easter vacation at his home at Gary, Illinois.

Mr. and Mrs. Fred Groth of Waukegan will spend Easter Sunday at the home of Mrs. Groth's parents, Mr. and Mrs. Joseph Panowski.

Mr. and Mrs. O. E. Hachmeister, Miss Virginia Hachmeister, Mr. and Mrs. Arthur Treger, Mr. and Mrs. Barney Treger will eat Easter dinner at the Dan Nugent home, Newwood.

Charles Tiffany of Waukegan visited in Antioch Monday.

Good Work Shoes, worth the money at Chase Webb's.

Mr. and Mrs. H. H. Burke spent Monday in Rockford on business.

Mrs. Geraldine Flood of Waukegan is spending this week in Antioch visiting her aunt and uncle, Mr. and Mrs. William Rosling.

Mrs. Philip T. Bohl and Mrs. H. B. Gaston were calling on friends in Richmond Wednesday.

Flower-like, ornate blouses, dashing plaids, shirtwaists in smart candy stripes, exquisite silk blouses, will give your suit that Fashion-Parade look for Easter. At MARIANNE SHOP.

Baby Born to Christians

A baby was born Friday to Mr. and Mrs. William Christian of Kenosha. The Christians were formerly of Antioch.

"Now, children, call out some long words to me."

"Peculiarities."

"Good—another."

"Idiosyncrasies."

"Yes—another."

"Rubber."

"That is not long."

"No, but you can stretch it."

FARM PRINTING
IS A SPECIALTY
WITH US

U. of I. Seeks 21% Less Than Two Years Ago

Legislative Request Is Also 25% Less Than 1929-31 Appropriation.

The University of Illinois has reduced by \$2,380,000 its legislative request for the coming biennium as compared to the appropriation made to it by the last General Assembly. President H. W. Chase has announced. The new bill asks for \$3,900,000 while \$11,280,000 was the amount granted two years ago.

The new request is 21 per cent less than that appropriated to the University by the last legislature, and 25 per cent less than the appropriation of 1929-31.

"Salaries of the faculty and administrative staff have already been reduced 10%, and the Board of Trustees has made a reduction of \$500,000 in the salaries item of the proposed legislative budget," President Chase said. "The board decided to reduce this item as well as all other items which make up the biennial budget. Consequently the budget which the University will submit to the legislature will call for a total of only \$4,450,000 a year for the next biennium."

The last general assembly appropriated \$11,280,000 for the two-year period, which included \$1,000,000 for the salary of the President and Dental building in Chicago. This money, however, was not used. It was explained, because of the State's financial condition, and, in addition, the University curtailed other expenditures so that a total of approximately \$5,000,000 of the appropriation will be unused. The University's savings for the present biennium, therefore, amount to more than \$2 per cent of its total State budget.

"Due to economies in the operation of the University during the present biennium it has already reduced its expenditures to practically the amount set in its legislative request for the coming period," President Chase said. "In order to do this, it has been obliged to operate on an emergency basis and it cannot therefore continue on such a total for the next two years without a reduction in salaries."

"On the basis of our last appropriation we were granted an amount which represented 71 cents per capita of population. We will have used, however, by the end of the University year, only 54 cents per capita."

"In fairness to education and to the University itself, the public should be made aware of the fact that the University's annual saving which would result would amount to only about seven-tenths of one cent on the average tax dollar in property taxes."

"Looked at from this point of view, the money invested by the citizens of Illinois in their University is so widespread that the cost is no burden to any individual."

"As for its teaching services, the results which have come out of the University's research laboratories contribute many millions of dollars yearly to the economic welfare of the State."

Uni. Cuts Expenses Drastically to Aid State Finance Crisis

Looking forward to the coming biennium, provision for which must be made by the legislature during the session which has just opened, the University of Illinois has not been an unkindred of the necessity for decreasing public expenditures and for balancing public budgets. That the University met this need during the past biennium is evidenced by the fact that it left unused some 22 per cent of the appropriations made to it by the last general assembly.

However, the University is faced with the fact that it is its prime duty to maintain the educational standards of the institution, and, although there are fewer students attending the University than was true two or three years ago, there are still more than 10,000 enrolled. While the decrease in attendance has been greatest in the freshmen and sophomore classes where the expense of instruction is lowest, the number of graduate students has shown practically no decrease from the peak and is now twice as many as in 1921. Likewise, there has been a decrease in the college of medicine or in the college of law or other branches where the expense of instruction is highest.

The financial support of the University comes in part from state appropriations, in part from student fees, in part from Federal appropriations, most of which are for specific activities, and in part from incidental sales of surplus products resulting from its teaching and research work. The general concept of the University was that it should be a place where students may secure a college education at little or no expense for tuition. Certain fees no expense for tuition. Certain fees no expense for tuition. Certain fees no expense for tuition.

State appropriations make up about 70% of the total income of the University, derived partly from the General Revenue fund of the state and partly from a special tax of 3 1/2 cents per hundred dollars of assessed valuation for the support of the University. Of the property taxes paid for all purposes in 1931 by the citizens of the state, about seven-tenths of one cent per dollar were voted for the support of the University.

In 1932 the Federal tax on tobacco consumed by the citizens of Illinois exceeded by \$1,667,782 the amount asked to operate the University next year. According to the report of Internal Revenue receipts from Illinois, the tobacco tax paid was \$5,957,732. In 1931 the tax was \$5,528,522. The University asks \$1,000,000 a year for the next two years.

"I am for educational economies. But I am not for any crippling of our system of public education. We are being asked today to train men and women for a world where the future is far from clear. Our schools are our insurance for the future."—H. W. Chase, President, U. of I.

CHOOSING FOODS WISELY

By ADELAIDE SPOHN, Ph. D.

Nutritionist of the Elizabeth McCormick Memorial Fund and Director of Nutrition Service, Illinois Emergency Relief Commission.

How to Eat Better at a Lower Cost

As a practical help to the thousands of housewives who are struggling to make a few dollars supply their families with nourishing, appetizing food, I am outlining for you weekly menus for an average family of five which can be prepared for about seven dollars.

These menus provide balanced meals, containing all the food elements essential to health. The more economical sources of the necessary dietary essentials have been employed in the planning of the menus for a week. Enough of the protective foods, milk, fruits and vegetables and meat, have been included to protect adequately the health of the family.

SUNDAY Breakfast.

Rolls Oats With Raisins. Toast. Butter. Coffee.

Dinner.

Hamburger Baked in Tomato Sauce. Scalloped Potatoes. Carrot-Cabbage Salad. Butter. Whole-Wheat Bread. Milk.

Supper.

Eggs in Omelette on Toast. Sliced Oranges.

MONDAY Breakfast.

Farina. Milk. Coffee. Butter.

Lunch.

Cream of Onion Soup. Peanut Butter Sandwiches. Milk.

Dinner.

Scalloped Liver and Potatoes. Stewed Tomatoes. Butter. Whole-Wheat Bread. Brown Betty. Milk.

TUESDAY Breakfast.

Oatmeal Cooked in Milk. Toast. Milk. Coffee. Butter.

Lunch.

Cream of Navy Bean Soup. Oatmeal Muffins. Milk.

Dinner.

Rice With Cheese and Tomatoes. Baked Potatoes. Cabbage Salad. Bread. Apricot Snow. Milk.

WEDNESDAY Breakfast.

Cornmeal Stew and Raisins. Butter. Milk. Coffee.

Lunch.

French Toast. Brown Sugar Syrup. (Two egg yolks from above pudding and 1 whole egg) Milk.

Dinner.

Sparoribe. Mashed Potatoes. Sauerkraut. Bread. Butter. Stewed Prunes. Milk.

THURSDAY Breakfast.

Milk. Oatmeal. Toast. Coffee.

Lunch.

Cheese Sandwiches. Milk. Orange Pudding. Dinner.

Navy Bean Chowder Made With Navy Beans, Carrots, Onions, Potatoes.

Whole-Wheat Bread. Butter. Baked Apples. Milk.

FRIDAY Breakfast.

Toast. Milk. Coffee. Butter.

Lunch.

Scalloped Potatoes. Fried Hominy. Butter. Sliced Oranges. Dinner.

Scalloped Salmon.

Potatoes in Jackets. Creamed Turnips. Bread. Butter. Milk.

Rice Pudding.

Butter. Milk. Coffee. Dinner.

SATURDAY Breakfast.

Oatmeal Cooked in Milk. Toast. Milk. Coffee. Butter.

Lunch.

Cream of Tomato Soup. Croquettes. Sliced Bananas. Milk.

Dinner.

Lamb Stew. Carrots. Turnip Tops. Scalloped Potatoes. Rice Muffins. Butter. Milk.

The market order necessary for the building of these menus and recipes, showing the amount of food to be bought together with the current prices in Chicago markets is available on request. Just write to Home Economics Department, Room 900, Engineering Building, Chicago, Illinois.

**Maly Is First
in Violin Contest**

Ed Maly, who was the only participant in the music contest held at Dundee Saturday, April 8, placed first in the violin contest. He is now eligible for the district contest which is to be held at DeKalb on April 22.

**Grade School Will
Close May 26**

Antioch Grade School will close May 26, according to the announcement of Ralph Clabaugh, principal. The graduation exercises of eighth grade students of the township will probably be held the same night, Mr. Clabaugh states. Exhibitions Day will be held May 19.

with "surplus". Margaret Smith talked on the sales tax and probable results, and Evelyn Hennings spoke of the Akron disaster.

Entire cast rehearsals for both plays "Girl Shy" and "The Property Committee" is now busy at work collecting the necessary equipment.

**Mrs. Beatrice Hyman
Speaks on Progress
at Meeting of P-T-A**

Mrs. Beatrice Hyman, principal of Stone School, Chicago, gave a forceful address on the progress being made in schools, at the meeting of the Parent-Teacher association held Monday night at the Grade School. Miss Hyman is an able speaker who was heard last fall at the district meeting of the Parent-Teacher association at Fox Lake.

Miss Mary Gallger reviewed an article, "Self-Expression and Growth" from the Child Welfare magazine at the opening of the program and three selections were played by the band under the direction of S. E. Pollock.

Miss Hyman in her talk pointed out the changing criteria for judging the work of a teacher. She listed as important requirements:

1. That she be human and sympathetic.
2. That she be fully socialized.
3. That she be continuously gaining a liberal education.

She also spoke of the advantage of having the school and home on the same level with the parents thoroughly in touch with the activities of the home.

She expressed her pleasure at finding that the meeting was being held in the school, saying that in Chicago it was impossible for her to hold an evening meeting, which the men could attend in the school. It was voted at the meeting to buy an axminster rug for the rest room and also material for reupholstering the furniture. Mrs. Petty announced the next card party will be placed in the hands of the men and appointed William and Dr. L. John Zimmerman as the committee to take charge. Mrs. Otto Klass, Mrs. Snyder, and Miss Eleanor Meyer, were appointed as the nominating committee for the election to be held at the next meeting.

**Joe Keller Recalls
Attack Made in P. I.****Was One of Fifty-Four in
Daring Night Man-
euvering**

Joe B. Keller who resides in the Frank Dibble home here, more than 20 years ago this week as a private in Co. "B", 30th Infantry, U. S. A., was one of fifty-three officers and enlisted men who made a surprise night attack on an insurgent force at Altman. The attack was made at dawn after a march of six hours on a difficult trail leading up a mountain.

Mr. Keller with the other men who participated in the attack which was successful received letters of appreciation for the valor displayed, written by Cornelius Gardener, Colonel of the 30th Infantry of the United States Volunteers. The letter is printed on Spanish paper, which was confiscated by the Infantry in one of its attacks.

Later during his service, Mr. Keller was detailed on special duty as Police sergeant at Tayabas, Luzon, Philippine Islands. He was discharged the following year.

The letter received by Mr. Keller which was addressed to Major Thomas I. Hartigan and printed in duplicate is as follows:

"Sir:
"As Regimental Commander, I desire to express to you and through you to such officers and soldiers of your battalion as participated in the late campaign against insurgent Colonel Maloles and his force, my appreciation of the valor displayed by you and your men, and the results obtained therefrom which reflects upon you and these officers and soldiers, and upon the regiment in general, the greatest credit. Leaving here April 15, with 122 men of Companies L and M under Captain Newberry and Portersfield, your orders were to proceed in the direction of Altman and find and destroy the force under Colonel Maloles by night attack if possible, and to remain in the field until this was accomplished. This wily insurgent Chief had gathered together his force on the very top of one of the highest and steepest mountains of the province, in a position hitherto considered impregnable and unscalable by white troops, and in which position, the insurgents during the Spanish revolution, had always considered themselves safe, and in which they had never before been disturbed. It was the purpose of Colonel Maloles to gather all of his troops in this province and make a descent upon the isolated garrison at Altman consisting of Companies I and K of this regiment. You selected for this perilous undertaking Captain Newberry and Portersfield and 51 enlisted men of Companies K, L, and M. For the attack you chose the most difficult of the two trails which led to the top of this mountain, and consequently the one least apt to be guarded and defended by the insurgents; a trail which the captured insurgent officers, now here, considered almost impassable for barefooted

natives. As has since been ascertained, Colonel Maloles had with him a force of 230 riflemen and 32 holomen and at the time, his force was estimated to be even greater. Leading with Captain Newberry, the attack which was made at dawn, after a fatiguing march of six hours, you surprised the insurgents and defeated them with the result as we now know, of capturing one Major, 3 Captains, 2 Lieutenants and 22 Enlisted men prisoners, killing 5 officers and 23 enlisted men and wounding 71 besides ammunition and all the Headquarters correspondence and personal effects of Colonel Maloles, who escaped bareheaded and clad only in a shirt. The surprise was so complete that of our troops, but one man was

wounded. With the exception of a small band, this force is now dispersed, returning to their homes, having had enough of the revolution and the night attacks of American soldiers. It practically ends the revolution in this province.
All the officers and men of your battalion who were present and contributed to the success of this campaign, which was of three weeks duration, are deserving of greatest credit, but particularly do I feel it my duty to express my thanks to the 54 officers and men who made the night attack."
(signed) Cornelius Gardener
Colonel, 30th Inf. U. S. Volunteers,
Commanding.

I WISH to thank all my friends who supported me in the recent High School election and I will try my very best to be worthy of the confidence and trust they have imposed upon me.

HELEN NABER OSMOND.

IN ACKNOWLEDGING my indebtedness to my friends for their support in the recent election, I wish to assure them that I will continue to give the same conscientious thought and effort in the future as in the past to maintain a high standard school for the education of our boys and girls.

Thank you.

GEO. R. WHITE.

CHOOSING FOODS WISELY

By ADELAIDE SPOHN, Ph. D.

Nutritionist of the Elizabeth McCormick Memorial Fund and Director of Nutrition Service, Illinois Emergency Relief Commission.

How to Plan Your Own Menus

Although it is true that poorly balanced meals are all too prevalent in our diet, actually there are no deep, intricate secrets for preparing well balanced ones. The "rules" for it are not much more complicated than for contract bridge, though they are much less rigid and leave more room for imagination. For your convenience in planning your own meals, I will give you a few simple, general principles as a guide to the planning of appetizing, healthful meals that are at the same time economical.

First, there are three classes of foods that are essential to health, which should be included in each day's diet. These are: milk, vegetables and fruits. Everyone ought to have a quart of milk a day if possible; two vegetables and two fruits. One of the fruits might well be oranges or tomatoes; and one of the vegetables of the green leafy variety, such as lettuce, cabbage, chard, kale, spinach, turnip tops, beet tops, dandelion greens, romaine, water cress and time sets sprouts.

Why do nutritionists say that these foods are indispensable to health? There are excellent reasons in each case. Milk is known as the most nearly perfect food because it contains most of the dietary essentials necessary to the maintenance of health, namely the vitamins, minerals, carbohydrates, proteins and fats. It is recognized as the one food for which there is no effective substitute.

Fruits supply necessary minerals, especially calcium, phosphorus and iron, and by supplying water and roughage keep the intestinal action normal. The citrus fruits, oranges, lemons and grapefruit contain vitamin C in generous amounts. Dried fruits furnish iron. Leafy vegetables are rich in vitamin A and in minerals. Raw carrots, lettuce, tomatoes, raw or canned, and spinach furnish vitamin A. Cabbage, carrots, lettuce and tomatoes contain a great deal of vitamin C, as do raw onions and sauerkraut. I am frequently asked to suggest ways to use milk in cooking so that the various members of the family will be sure to get the necessary quart daily. It seems to me harder not to use milk than to use it, because so many dishes demand it. Cereals taste best when cooked in milk; creamed eggs, cream soup, mashed potatoes, creamed vegetables, puddings and custards all require it.

Here are some attractive recipes using milk:

Spinach Soup.
Wash one pound of spinach carefully; cook it in a large kettle with

a tightly fitting lid for ten minutes, stirring occasionally to prevent burning. Take two cups of this cooked spinach and cut finely with two knives. Make a thin cream sauce by melting 4 tablespoons of butter, 4 tablespoons of flour, 2 tablespoons of salt, 1/2 teaspoon of pepper and 4 cups of milk. Let this cook slowly for at least ten minutes. Then add the 2 cups of cut spinach and liquid. Sprinkle the top with chopped parsley. This recipe serves 8 people at the approximate cost of 3 1/2 cents per serving.

Eggs a La Goldenrod.
Hard cook 3 eggs (put eggs into boiling water and keep hot but not boiling for 20 minutes). Remove shells and cut into halves lengthwise; cut each half into four lengthwise strips. Pour a hot medium cream sauce (1 cup milk, 2 tablespoons flour, 2 tablespoons butter and 1/2 teaspoon salt over pieces of toast. Arrange the egg whites on this and over all sprinkle the egg yolks which have been pressed through a sieve.

Prune Whip With Custard Sauce.
8 heaping tbsp. 4 tbsp. sugar
4 prunes (ground) Pinch of salt
2 egg whites 1/4 tsp. vanilla
1 tsp. egg whites until stiff and fold in the prunes and other ingredients. Serve cold with soft custard prepared as follows:

1 pint milk 1/4 tsp. vanilla
2 egg yolks 1/4 tsp. salt
1/2 cup sugar

Scald the milk. Beat eggs slightly and add sugar and salt. Gradually add hot milk to the egg mixture, stirring constantly. Cook in a double boiler until the mixture thickens and coats a spoon. Chill.

The important thing in planning your menus is to choose the foods that promote health and by ingenuity prepare the various dishes in interesting ways so as to appeal to the appetite.

WOMEN BREAK THEIR NECKS
sometimes, fighting for bargains in stores. We don't want you to do that, but you can enjoy the greatest bargain of the year. The Antioch News and The Pathfinder, both every week for 12 months, for only \$2.10. Folks for miles around are rushing to take advantage of this offer—to get so much for so little. Are you going to pass up such a rare chance? Better send your order today, while you think of it.

**Keeping Hens in
Individual Cages**

Individual cages for laying hens, or laying batteries, according to D. B. Powell, manager of the 230 acre Experimental Farm of Purina Mills at Grays Summit, Missouri, are no longer in the experimental stage. Mr. Powell has been using laying batteries at the farm for several years.

"Laying batteries give excellent results," says Mr. Powell, "when a proper feeding and management program is followed. The old idea that the hen must be forced to take a large amount of exercise by feeling scratchy to litter is obsolete."

gram is followed. The old idea that the hen must be forced to take a large amount of exercise by feeling scratchy to litter is obsolete."

**Dividend
Printing**

There is one kind of printing that you want—printing that pays a dividend on the investment.
A letterhead with right sort of type properly balanced is a real business asset. It wins the approval of the person receiving your letter, and while he is in this frame of mind your letterhead.

The same reasoning applies to any other job of printing. Neatness, the right weight and kind of paper, the color of the ink, the selection of the type, all play an important part in the production of dividend printing.

We are equipped to give you that kind of printing. Let us prove it to you.

Wilmot School Operatta
Coached by Miss BuftonEaster Services Scheduled
at Churches for Sun-
day Morning

"Bon Voyage", the operetta to be staged by the music department of the Union Free High School is scheduled for Saturday night, April 22, at the Wilmot Gymnasium and will be directed by Miss Gladys Bufton. The setting of the play follows: Neal Standish (Robert Van Lier) son of Boston Back Bay family, is given a trip to Europe by his wealthy aunt (Katherine Derler). He is to study art and see the world with the view of becoming more human. Larry O'Connell (Floyd Zarnstorff) assistant instructor in Fine Arts at Harvard, is asked to be Neal's companion. In the studio of Andre Maurois (Donald Roberts) world recognized artist, Neal meets Patricia Galloway (Alene Schmalfeldt) also of Boston.

Babette is Vivian Herrick, Mrs. Standish, Virginia Voss.

At the Peace Evangelical Lutheran church services for the week are scheduled as follows: English services Thursday night at eight o'clock; German services Friday morning at ten; On Easter Sunday there will be Holy communion at both the services, German at 10:00 A. M., and English at 7:30 P. M.

The young people of the Greater parish are to meet at Bristol Easter morning at six o'clock for Easter services.

The Patrons' Club was well attended at the gymnasium Wednesday night. At the business meeting it was decided to sponsor some social activity and a committee consisting of Miss Alice Kuenzli, Mrs. Gilbert Kerkoff and George Higgins was appointed to plan the affair. The program consisted of a very interesting talk on Italy by Miss Ruth Thomas and the presentation of the play "In the Spring a Young Man's Fancy", the cast of characters included Edna Neumann, Chrystal Hartnell, Ruby Memler, Virginia Voss, Olena Schmalfeldt, Amy Harn, Eva Vincent and Genevieve Van Lier. The play was put on by the Girls' Dramatic Club. The spring vacation will extend from Good Friday through Easter Monday, April 14 through April 17, inclusive.

The Boys' Athletic Association voted to sponsor a base ball team this year. The schedule will be arranged in a few days.

Thursday night of last week over fifty attended a Poultry meeting held at the gymnasium when Prof. Barry Hayes of the Wisconsin College of Agriculture discussed the care and brooding of chickens. He answered many questions relative to this sub-

Chevrolet's New Model Is Popular

NEW CHEVROLET MASTER SIX TOWN SEDAN

A new body type known as the "Master Six Town Sedan" has been added to the passenger car line by the Chevrolet Motor Company for the spring and summer motoring season.

Listing at \$545 f. o. b. Flint, Mich., the new model is said to be

the lowest priced of its type now on the market. It features a built-in trunk and combines the comfort of a five-passenger body model with the intimacy and individuality of a close-coupled sedan.

The model has new colors and is designed primarily for the tourist market, the built-in trunk affording

sufficient luggage space for an extensive journey.

Addition of the town sedan, which is now displayed by the national dealer organization, brings the number of models in the Master series to eight, while three additional types are built on the Standard series wheelbase.

daughter, Mary Ann, and Mr. and Mrs. Irving Carey were dinner guests Sunday of Ernle and Grace Carey.

Mrs. Charles Kanis, Sr., returned Thursday from a visit in Kenosha with Mr. and Mrs. William Kanis.

Rollie Hecman and William Lesko were in Chicago Saturday for the White Sox game.

Viola and Esther Kanis were in Kenosha, Saturday.

Fifty relatives and friends gathered at the William Harn home Sunday in honor of the confirmation of their son, Melvin. Among the guests were Rev. and Mrs. S. Jedele.

Mr. and Mrs. H. Frank, Mrs. Ida Mockenbush and son, Lyle, were in Kenosha on Friday.

Mr. and Mrs. Winn Peterson and children, from Kenosha, were guests of Mr. and Mrs. Alfred Reynolds Saturday.

A. C. Stoken and son, Ray Stoken, were at West Bend, Saturday.

Mr. and Mrs. Emil Larson and fam-

ily of Kenosha were guests Sunday of Mr. and Mrs. Herbert Swenson.

Clinton Voss returned to the home of his parents, Mr. and Mrs. Paul Voss, after spending the winter in Florida.

The next meeting of the Oak Knoll P. T. A. will be Thursday evening, April 20. A program is being prepared by the pupils and will consist of class demonstrations and musical numbers. The annual election of officers will be held at the business meeting.

Fred Frank was lowest bidder and awarded the contract to care for the Wilmot cemetery this year.

Mr. and Mrs. A. Willis and family from Juliet, Mr. and Mrs. R. Foster and daughter from Postone, were guests the first of the week of Mr. and Mrs. K. Foster.

Mr. and Mrs. F. Beck were in Waukegan Sunday to attend a party at the home of Mr. and Mrs. P. Meyers.

Clean Bird Houses
Attract Martins,
W. I. Lyon Says

William I. Lyon, noted ornithologist, who is a resident of Waukegan, and has made a deep study into the life habits of bird life in this and other parts of the United States, has issued a request to the nature-loving public to clean out all bird houses this spring.

Purple Martins will soon arrive in

In honor of the confirmation of their grandson, Philip Moyers, on Sunday, William Harn and son, Earl Harn, were at Volter, Iowa, Wednesday and Thursday.

Mr. and Mrs. William Harn, Earl and John Harn were in Kenosha Saturday. Mr. and Mrs. Joe Baza returned with them for the weekend.

Deane Loftus was home from the Wisconsin University from Thursday to Monday.

Mr. and Mrs. August Neumann and family visited with relatives at Powers Lake, Sunday.

Mr. and Mrs. Ray Ferry were out from Kenosha Saturday for the day with Mr. and Mrs. T. C. Loftus. Sunday, A. Loftus and Virginia Loftus and Miss A. Salter of Graylake were there.

Mrs. Paul Voss, Mrs. Walter Carle, Ruth Stoken and Ruby Davis attended the Oak Knoll Study Club at Mrs. G. Kerkoff's, on Friday.

Mr. and Mrs. Jonee of Pleasant Prairie spent Sunday with Mr. and Mrs. O. Higgins.

Waukegan from their winter sejour in South America. The martin is a voracious, but a very beneficial bird. The martin and swallow families live on insects, including flies and mosquitoes, which they catch in the air.

The starling, an imported pest, and the well-known English Sparrow, occupies bird houses during the winter, bringing in great quantities of rubbish, including straw and feathers, to keep them warm during the colder winter nights. The feathers are usually picked up around chicken houses and are infested with chicken lice. If young martins hatch out in such surroundings, they may die in the nest. Martin-houses should be built in sections, so that they may be taken to pieces and cleaned. It is well to scrub them out with gasoline in order to destroy all insect life, and then leave them to dry out completely in the sun.

If the first martins seem to scorn your "apartment to let" do not be disappointed, for these are likely only to be scouts or the "agents." And they will likely pass on farther to the northward, as the males are able to fly farther at a stretch. A week or so later the females will appear on the scene, ready to set up housekeeping. The Purple martin builds only a small nest, but will come back year after year in a territory where they are well treated. Help our bird friends to survive.

First Wife—"Does your husband exercise regularly?"
Second Wife—"Why, yes, last week he was out six nights running."

Fashion Notes
RecipesOf Interest To
WOMENHousehold
HintsDishes for Easter Breakfast and Other
Meals Which Are Special Occasions

Orange Waffles
2 cups flour
3 eggs
2 teaspoons baking powder
2 tablespoons sugar
1 1/2 cups milk
1/4 cup melted butter
1/4 teaspoon salt
1/2 teaspoon nutmeg
1 teaspoonful grated orange peel
Sift dry materials together, beat egg yolks thoroughly, add them to milk, then pour into flour mixture and beat until smooth. Add melted butter, nutmeg, and orange rind, folding in stiffly beaten egg whites.

Apricot Nut Bread
1 1/2 cups dried apricots
1/4 cup chopped toasted nuts
2 tablespoons melted shortening
5 tablespoons baking powder
1 cup sour milk or buttermilk
2 1/2 cups sifted flour
1/2 cup sugar
1 cup water
1 egg
1/2 teaspoon each soda and salt
Wash apricots. Place in saucepan with 1 cup of water. Cook until apricots are soft—about 10 minutes. Drain if there is any liquid left. Cool and chop apricots. Sift flour, baking powder, soda and salt and sugar together. Add nuts to flour mixture. Beat egg well, add milk and stir into the flour mixture. Add melted shortening and mix thoroughly. Fold in chopped apricots. Pour into well greased bread loaf pan and let stand 20 minutes. Bake one hour and fifteen minutes in a moderate oven.

Orange Toast
Hot buttered toast
1 Dessert spoon sugar and 1/2 teaspoon orange juice mixed with 1/3 teaspoon grated orange rind for each piece of toast.
Spread the sugar and orange mixture on the hot buttered toast. Slip under the broiler flame for about one minute just before serving. Cut in triangles and serve.

Hot Honey Toast
Buttered toast
1/4 cup honey
2 Tablespoons melted butter
1 Teaspoon cinnamon
Mix the honey, butter and cinnamon, sprinkle generously on the hot buttered toast. Just before serving put the prepared toast in a hot oven for five minutes.

Tips from the Bunny

Hard boiled eggs which are peeled and dipped in the juice from pickled beets will be a decorative note on the Easter table and are also good to eat. Blown eggs are attractive as favors or for the Easter nest. Puncture the egg at both ends with some sharp instrument like an ice pick or a large darning needle. Then blow at one end, forcing the contents of the shell out through the other end. The empty shell can be dyed like other eggs, or a fantastic face painted on, and ribbons run through the holes. Mothers who dislike the risk of allowing their children to eat eggs which have been dyed, can solve their problem by tying the hollowed eggs in bright colored cellophane which will give a highly colorful effect without at all affecting the edibility of the egg.

Attractive additions to the Easter basket may be made by taking creamy fudge, shaping it like an egg, then rolling it in bright colored sugar.

Grass for the bunny's nest can be made by drying excelsior with ordinary egg dye. A day must be allowed for drying the grass.

YOU'VE MISSED SOMETHING
Did you read "Prosperity Impossible Until Half of America Gets Square Deal" which appeared in The Pathfinder the other week? If not, you missed something. "With Feet of Clay," an editorial in the following issue, would have given you untold food for thought. But there is no need to miss another of the brilliant, fearless articles which appear in The Pathfinder every week, when you can get The Antioch News and The Pathfinder for a whole year at the bargain price of \$2.10. Leave your order at our office (where samples of The Pathfinder may be seen) or send it by mail or phone today.

Empty
"Mamma, I have the stomachache," said Peggy, aged five.
"That's because you haven't had any lunch yet," answered Peggy's mother; "your stomach is empty. You would feel better if you had something in it."

That afternoon the minister called and in the course of conversation remarked that he had been suffering all day with a severe headache.
"That's because it's empty," said Peggy. "You'd feel better if you had something in it."

"Young lady, what is the name of the best cow in the country?"
"Magnolia."
"Magnolia! I never heard of her before."
"Sure, you can buy her milk at any drug store."

"Quick, Doctor, do something! I was playing a mouth organ and swallowed it!"
"Keep calm, sir, and be thankful you were not playing the piano."

Garden Guide

Coreopsis—a bright yellow flower which blooms from June until frost as a rule. Mixes well in bouquets with other fall flowers. Is also excellent choice for an informally arranged bed.

Delphinium—two feet or more tall, in lovely shades of blue. Is a hardy flower and indispensable for garden bouquets. Must be sown in shade and transplanted after about twenty days or plants can be secured from a local dealer. Attractive in tall border.

Gypsophila, commonly known as baby's breath. Blossoms are white, or seed may be sown for delicate pink blossoms. Its delicacy blends beautifully with other cut flowers.

Larkspur—similar to delphinium, but more delicate in color and flower. Blossoms are delicate shades of pink and blue. Lovely in bouquets and striking in borders.

Cornflower—(or bachelor's button) good in an informal garden arrangement. Flowers are blue, rose, white or red. Blossom is button-like with ragged petals. Mixes well with bouquets of daisies, yellow flowers of all types, etc.

Gallardia—a feather duster-like blossom with ragged petals from early shades of orange. Blossoms from early summer until late fall. Attractive in beds, for cutting and also in massed borders.

Antirrhinum—(snapdragon) blossoms in white, rose, red, yellow, pink and shades of these colors. Varieties can be secured which will reach a growth of 3 feet. Some as low as 18 inches. Seed sown latter part of May will bloom in July remaining in blossom until late September. Splendid in bouquets used separately or with other flowers.

Asters—should be grown in sunny position. Blossoms late in the season until fall. Flowers range from delicate lilac shades to deep crimson rose.

Nasturtium—low flower, blossoming abundantly in variety of rich colors. Good for bouquets and borders.

Candytuft—may be sown anytime after frost is out of ground. Blossoms in white or colors. Grows from six to twelve inches high, depending on variety of seed sown. Makes an attractive white massed border.

Alyssum—white flower, also colors, blossoms more delicate than candytuft. Blossoms abundantly. Makes a delicate edging for low borders.

French Marigolds—low flower, adds color and life to the garden late into the summer and fall. Petals of flower are deep velvety brown with edging of gold. Plant is fern like.

Flowers grow about 9 inches tall and are an excellent choice for a low border which will last late in the season. May be used for bouquets also.

African Marigolds—growing from 18 inches to 3 feet high depending on seed sown. Blossoms in ball-like and seed sown. Blossoms in deep orange ranges in color from a deep orange to pale yellow. Can be used for bouquets and will add brilliancy to the garden.

Petunias—particularly good for window boxes and solid beds. Flowers are velvety and range around the color wheel in color. Most easily cultivated by sowing indoors and transplanting in late May.

Poppies—can be sown as perennials which will flower first season sown. Colors are bright and flower is graceful addition to mixed garden, either sown in plot or as border. Blossoms early in season, and can be used for bouquets if cut while in bud.

Pyrethrum—a type of daisy, in rose, red, yellow, and white. Hardy flower grows from 1 to 2 feet and is attractive planted in masses or borders.

Salpiglossis—or painted tongue. Has a morning glory shaped blossom which blooms in deep rich colors. Grows more than 20 inches high. Succeeds in almost any soil with reasonable care. Lasts well as cut flower.

Phlox—a showy, brilliant flower, which, when grown in masses, gives striking effect in garden producing the effect of a larger quantity of plants.

broke out at the W. J. Chan home and for a time it looked as though the whole place would be destroyed.

Misses Goldie and Harile Davis spent Sunday in Chicago and while there went to hear Billy Sunday speak.

Miss Louise Lilliebrand has gone to Millburn to take charge of the school at that place, the former teacher having been obliged to resign on account of illness.

Taken from The Antioch News, Apr. 12, 1933

At the primary election held a few weeks ago, Herbert J. Vos was given a large vote for the office of village president, and William Lilliebrand, W. W. Warriner and William Christman given the largest majorities for members to compose the village council.

Several friends of Mr. and Mrs. George Gollwitzer gave them a surprise party at their home Thursday evening in honor of their first wedding anniversary.

Mr. and Mrs. Wallace are receiving congratulations on the arrival of a son, Charles G., at the Lying-in Hospital in Chicago last Saturday afternoon. Both mother and son are doing nicely.

Hickory Corners School
Voters Re-Elect Carney

Wolzes Give Birthday Party for Rose; School Children Are Vaccinated

There were twenty-two voters present at the school meeting Saturday evening at our school. Leo Carney was re-elected.

The Dean Hill School District re-elected Hugo Gussasson at their meeting.

Mr. and Mrs. Joseph Wolz gave a party at the Pkoyville Hall Saturday evening in honor of the eighteenth birthday of their daughter, Rose.

Nearly all children in the neighborhood were vaccinated last week.

Mr. and Mrs. Frank Kennedy were Waukegan visitors Saturday morning.

Miss Edith Thompson of Libertyville was home over the week end. Mr. and Mrs. Chester Mills of Chicago spent Sunday evening at the Ralph Fields home.

Mr. and Mrs. Harry Tillotson, Miss Grace Tillotson and Mr. and Mrs. William Thompson drove to Delavan.

Wis. Friday evening and attended the annual exhibit and style show given at the State School there.

Mr. and Mrs. Ed Stream entertained the Misses Isabel and Ronette Logan, Mrs. Panka and mother, also Miss Irene Bodnarek and Peter Sands, all from South Chicago, last Tuesday.

Anatin and Mori Savage were Kenosha visitors Saturday morning.

Willbur Hunter and daughter, Dorothy, drove to Spring Grove, Sunday afternoon and visited their cousin, Mrs. Jennie Oxley.

Mrs. Hilda Wilton is visiting her daughter, Mrs. William Gullford, in Kenosha this week. Young Billy Gullford underwent a mastoid operation at the Kenosha hospital recently.

Mr. and Mrs. Stauffer from St. Louis, visited their daughter, Miss Nora Stauffer (the Dean Hill School teacher) Friday and Saturday. Mrs. Hilda Wilton entertained them at her home.

Mr. and Mrs. James Fulton and daughter from Waukegan called at the John Crawford home Sunday afternoon.

Otto Olsen of Chicago visited at the home of his sister, Mrs. Hugo Gussasson, Friday and Saturday.

Oscar Praston visited his mother in Waukegan Sunday afternoon. Misses Grace Tillotson and Marion King spent Saturday afternoon in Kenosha.

Fox Lake Activities

FOX LAKE VOTERS ELECT MRS. WALK TO SCHOOL BOARD

Woman's Club Holds Garden Program, Shows Slides of Gardens

Grammar School Board held their election last Saturday and Mrs. Esther Walk was chosen as their new member.

Woman's Club held a Garden program last Thursday at Recreation Hall. A speaker from Swift & Co. was presented and also showed slides of beautiful gardens. Refreshments were served by the Garden Club.

The Junior Auxiliary of the Woman's Club plan a card party for April 20, at the High School. Proceeds will be used for their Mother and Daughter banquet.

The Native Troupe are hard at work on their play to be presented May 5, at Grant High School.

Easter Service at Ingleside at 11:00 A. M.; Fox Lake at 7:30 P. M. Every-body welcome.

Mrs. Haroull was taken to the Lake County Hospital last week.

Mrs. J. Pike has been visiting in Chicago with relatives.

Choral Club was invited to sing at Lake Villa Tuesday evening.

Mr. William Dowd is a patient at the Lake County Hospital, and is doing nicely after an operation.

The M. Bennett family have rented the Buckhart cottage on Grand Ave.

Legion at Fox Lake To Install Officers

Invitation Issued Public to Attend Program at Grant School

Lake Region Post, No. 703 of Fox Lake will hold an installation of the post and officers Wednesday evening, April 19, 1933, at 8 o'clock at Grant Community High School. An invitation is extended to the public to attend the exercises.

Noel White of Fox Lake is commander of the post. Senior vice-commander is William Finch of Lake Villa and Junior vice-commander, John Foster of Spring Grove. Other officers are Helmar Carlson, adjutant; finance, Zena Zenor of Lake Villa; sergeant-at-arms, John Dvorak, of Spring Grove; chaplain, Fred Bartlett of Lake Villa. District Council delegates are Ben Hadad of Lake Villa and William Bledsoe of Ingleside.

The Lake Region Post was organized recently by veterans of Fox Lake, Lake Villa, and Spring Grove. The Post officers will be installed by Homer Dahlger Post 281, degree team of Waukegan.

The program is as follows:

Music by Veterans Bureau Hospital No. 105, North Chicago, Ill.

Music by Sharvin Post No. 397 Drum and Bugle Corps.

One Man Drum and Bugle Corps, Jerry Huvelka.

Address by James P. Ringley, Commander Department of Illinois.

Installation of Post Officers by Homer Dahlger Post 281, Degree Team, Leonard D. Hook, 8th District Commander.

Grant Students Hold Inter-Class Meet

Biology Class Visits Fish Hatchery, and Sees Tropical Fish

On Wednesday of this week an inter-class track and field meet was held on the new field. The senior team, which consisted of a number of letter men from last season, held the advantage throughout the meet. No exceptional showings were made, due perhaps to the intermittent practices which have been made necessary by unfavorable weather conditions.

Captain Clemensen, however, believes that with one week of consistent practice the Grant tracksters will be able to cope very favorably with McHenry in the meet on April 17.

The biology class under the supervision of Mr. Christ visited the Swedja Fish Hatchery on Tuesday of last week. An exhibit of the different varieties of tropical fish was of special interest to the group.

Students of the freshman English classes have completed a study of the Shakespearean drama, "Julius Caesar." Each student has written the story by using a series of plot diagrams and the diagrams have been made into booklets with various types of illustrations. For the most part the booklets show considerable originality. This work will be on display by the English department during the spring exhibit.

Regular six weeks' examinations were given in all classes on Wednesday and Thursday of this week. A change in the regular examination schedule was made necessary by the fact that there will be no school on Friday.

The District Commercial Meet is to be held at Dundee High School on April 15, 1933. Those from Grant who will participate in the various events are the following: Bookkeepers, Hazel Fishback, Jessie Walk and Lillian Stearns; Advanced typing, Alzada Meyers, Kathryn Dankleman, and Floy Walt; Beginning typing, Harriet Stanton, Ruth Stafford, Marie Miller, and Helen Elter; Shorthand, Harriet Stanton, Jennie Martines, Marie Miller, and Beatrice Jorgensen. Bessie Wilkinson and Lona Page have been entered for individual honors.

Two Systems for Chick Feeding Success

Either Method May Be Followed

Management and care have been separately treated. Now how to feed the baby chicks?

Baby chicks can be grown successfully by either the all-mash or the mash-and-grain system if the method chosen is properly followed out, so poultry experts of Purina Mills Experiment Farm declare. Each poultryman should adopt the system which suits him best.

Based on extensive tests over a period of years on their own 330 acre farms, the research workers of Purina Experiment Farm at Grays Summit, Missouri, advocate definite rules to be followed in feeding and care under each system. Where the all-mash system is followed:

1st and 2nd day—Hatchery chicks are ready for feed on arrival. Chicks hatched at home may be fed when 48 hours old. After giving water with chill removed, give first feeding of an all-mash starting feed. The maximum rate of growth can be obtained only with a ration which is properly blended or balanced, especially with refer-

Courtesy - Educational Div. Purina Mills

ence, to proteins, minerals and vitamins. Keep it before them in hoppers or low troughs, or feed 5 times a day as much as they will clean up in 15 minutes at each feeding.

3rd day to 6th week, inclusive—Feed nothing but all-mash starting feed, keeping it before them all the time. If you prefer the stop and go system, feed starting mash five times a day. At beginning of the 6th week, gradually add suitable scratch feed to the feed for the pullets to be kept for layers.

Chicks to be marketed as broilers should receive nothing but all-mash starting feed until sold.

7th week to maturity—Replace all mash starting feed with properly blended growing mash and continue scratch grain.

Keep a liberal supply of fresh water before chicks during entire starting and growing period. With young chicks, the chill should be removed.

ELECTION--

(Continued from Page One)
elected in 1923 when he served until 1929. The year S. E. Pollock was elected.

Bernard Naber, opposing Mr. Bartlett has had considerable experience in various public offices. For eight years, up until 1929, he held the office of township supervisor, at that time being succeeded by W. A. Rosens. He has served for twelve years or more as trustee on the board, and served one term as president.

J. H. Drom and Charles Lux, candidates for re-election as trustees on the board were second and third respectively in total pluralities of votes cast for trustee in the election of 1929. Mr. Drom is a retired teamster and has made his home in Antioch for many years. Mr. Lux is proprietor of the Lux Electrical Equipment shop.

Four new candidates will run for the office of trustee this term. With the terms of Lux, Drom and J. P. Lowry expiring this term, only Lux and Drom are running for re-election. The third candidate aligned with them on the Citizens ticket is James Stearns, Antioch's volunteer firechief. His candidacy for the trustee office marks his first campaign for an elective office.

Frank Hunt and Frank Hardin, running for trustees are two of the three Frank on the Jeffersonian ticket whose last names begin with H. Mr. Hunt ran for Justice of Peace of the township in 1929, being defeated by S. E. Tarbell and William Regan. Mr. Hunt made a good showing at that time, polling 369 votes in the township in a year when a small vote was cast. Mr. Hunt operates a filling station.

Frank Hardin and John Horan, the other two candidates have both held office. Mr. Hardin, a farmer, served a term as trustee several years ago. Mr. Horan has held the office of constable in the township. At one time he was publisher of The Antioch News.

Three for Treasurer

Frank H. Huber, Nelson Drom and Laurel Powles are opposing one another for the office of village treasurer. Mr. Powles filed on the Citizens' ticket, is bookkeeper at the Antioch Sales and Service Garage. Mr. Huber retired last fall after serving for twelve years as president of the Antioch Volunteer Fire Department. He has been active in the Sequit Masonic Lodge for a number of years, holding the office of secretary. Mr. Huber is filed on the Jeffersonian ticket.

Nelson Drom, independent, works for the C. F. Richards Implement Store. He is a son of J. B. Drom, incumbent trustee.

Four for Magistrate

J. C. James is the incumbent candidate filed on the Citizens' ticket for the office of police magistrate. Mr. James first served in that office filling out the term of Harold Gelstrup. He is a local real estate agent and has been active in village political life for many years.

George E. Phillips opposes Mr. James on the Jeffersonian ticket. Mr. Phillips is associated with William Van Der Linde in the Van Der Linde and Phillips Paint Shop. He has had some experience in filling the office for which he is a candidate, having served for four years in that capacity in Highland Park about fifteen years ago.

John N. Paelin and Thomas E. Burnette are the candidates on the independent ticket running for the office. Mr. Paelin retired several years ago from a confectionery business which he owned and operated here. He is a member of the Veterans of Foreign Wars, having served overseas in the Philippines.

Thomas E. Burnette, the fourth candidate for this office, was a candidate for township constable in 1929 being defeated at that time by James Horan by a margin of only 18 votes. Mr. Burnette is a barber in the north end of Antioch. At one time he held the position of village motorcycle policeman and is active in Odd-fellow circles.

Two Women Filed
The two candidates on the Jeffersonian ticket for directors of the library board, are the only women filed for candidacy in this election. Mrs. Lotus Somerville, wife of Earl Somerville and Miss Willie Rigby, wife of Delvin Rigby, president of the local Democratic Club have neither one participated in a political campaign before.

Mrs. Somerville is a graduate of Sedalia (Mo.) High School and of the Business College of that place. Previous to her marriage she worked in Chicago for the government in the Steamboat Inspection Service.

Mrs. Rigby is a graduate of Antioch Township High School and was born and reared here. She has been active in the Democratic Club since its organization.

Dr. R. D. Williams, incumbent, seeking re-election on the Citizens' ticket, is secretary of the library board. Dr. Williams has served on the board for five years. He is a graduate of Northwestern University.

ADJUDICATION NOTICE
PUBLIC NOTICE is hereby given that the Subscribing Administratrix with Will annexed of the Last Will and Testament of Sarah Hunter deceased will attend the Probate Court of Lake County, at a term thereof to be held at the Court House in Waukegan, in said County, on the first Monday of June next, 1933, when and where all persons having claims against said estate are notified and requested to present the same to said Court for adjudication.

HEATRICE M. DUFFY,
Administratrix with Will annexed, Waukegan, Ill., March 31st, 1933.
